

Future Lee Public Library

New Library Furniture Needs

Request for Donations

Dear Friend of Lee,

The cooperative efforts of many have resulted in the construction of a new library for Lee. The new Lee Library will offer a huge improvement in library services for Lee and the eastern part of Madison County. The Madison County Commission has pledged funding for the construction of the facility to match funding provided by the State of Florida through the Secretary of State's Office. The cooperation of the Madison County School Board in providing a long-term lease for the property has saved us thousands of dollars in land purchasing and the City of Lee has provided assistance by waiving permitting and other fees where possible. Much has been accomplished but there is still work to do!

Furnishing a new library in this economic environment will be challenging. Please consider assisting us in our efforts with a monetary donation to buy tables, chairs, shelving, computer stations, displays and other needed equipment. This is a one-time request for assistance. The contribution you make will reap community wide benefits over the next 10 to 20 years. If you wish, your contribution of \$100 and higher can be recognized on an "Honor Wall" in the foyer of the new library. It can also be designated in honor or in memory of a loved one.

Please consider making a generous contribution to the Friends of the Lee Library, Inc. today. The Friends of the Lee Library, Inc. is a 501(c) 3 charitable organization and your contributions are tax deductible. Your contribution should be made to:

Many citizens and businesses have helped us raise funds for furniture for the new Lee Library. We thank all of them. We are about three-quarters of the way toward our goal and hope you will consider assisting us if you have not already done so.
